

TRACKING YOUR PROGRESS

Name: _____ Week/...../ 201....

Instructions: Use this weekly Learning Log to keep track of what is being taught in this class and whether you have learned it. **What should I be learning this week?**

In a scale from 1 to 3 write in a daily basis how well you understand the goal/s

1

I need to review this goal/s

2

I understand the goal/s but I need more practice

3

I have mastery of this goal/s

If you think that your understanding about the daily goal/s has been changing through the week UPDATE YOUR NUMBERS!!!

End-of-Week List. What was the clearest point we learned this week? What was the foggiest point?

1° Mastery goal/s

2° Foggiest goal/s

TRACKING YOUR PROGRESS

RUBRIC max 6 points

| CATEGORY | 3 Mastering | 2 Developing | 1 Beginning |
|--------------------------------------|--|---|--|
| Completeness | Learning Log is fully complete, and effort was put into it. | Learning Log is somewhat complete, and some effort was put into it. | Learning Log is incomplete, but some effort was put into it. |
| Explains what student learned | Students fully explained what they learned. End of the week list | Students somewhat explained what they learned. End of the list week | Students did not explain what they learned. |
