[1.25.21 DAC Presentation](#)

1. DAC Group Norms were reviewed.
2. The district's federal Title I programming was reviewed. The goal of Title I programming is to provide extra funds to school districts to help provide all children an opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. The information presented can be viewed on slides 5-14 of the [1.25.21 DAC Presentation](#).
3. The district's English Learner (EL) programming was reviewed. EL programming supports learners in acquiring the English language skills necessary for success in an academic environment. The information presented can be viewed on slides 15-17 of the [1.25.21 DAC Presentation](#).
4. The STMA American Indian Parent Advisory Committee reported the highlights of various projects and activities they have been involved with over that past year. The information presented can be viewed on slides 18-24 of the [1.25.21 DAC Presentation](#).

EXCELLENCE IS OUR TRADITION

5. The district's Special Services programming was reviewed. The purpose for the programming is to facilitate appropriate education for students with diverse learning needs and abilities. These services are available for learners who meet eligibility requirements established by state and federal education departments including: Special Education, Section 504, and Homeless/McKinney Vento Act. The information presented can be viewed on slides 25-29 of the [1.25.21 DAC Presentation](#).
6. Short-term changes to elementary High Potential Programming were reviewed. The information presented can be viewed on slide 30 of the [1.25.21 DAC Presentation](#).
7. A brief overview of Trauma-Informed Schools professional development for district administration and teacher leaders was shared. The information presented can be viewed on slide 31 of the [1.25.21 DAC Presentation](#).
8. The next meeting is on Monday, March 22, 2021 at 7:00pm in the Middle School West Media Center.

Meeting adjourned at 8:00 p.m.
