

Conscientious Objection to Early Childhood Screening

Child's name: _____

Date of birth: _____

In accordance with Minnesota state law, St. Michael – Albertville School District conducts Early Childhood Screening to identify children who may benefit from district and community resources available to help in their development. To ensure identification of risk factors that may influence learning, screening includes the following areas:

- Immunization review
- Developmental screening to assess development of cognitive, fine and gross motor skills, speech and language, social-emotional, and behavior
- Hearing and vision
- Height and weight
- Health history
- Summary interview

_____ I understand the purpose of Early Childhood Screening and due to my conscientiously held beliefs object to having my child screened in all of the areas listed above.

OR
