If a form is required for the enrollment, it will appear in a pop-up window when the yellow Add to Cart is select. Complete the required information and select the **Submit** button at the bottom of the form. If you have missed any required fields, you will be prompted with a message and a red notification message will appear next to the missed field. *Hint: You may need to scroll up on longer forms to see a field that is missing required information.*

Once these are corrected select Submit at the bottom of the form. The form answers will be recorded and the activity will be added to your shopping cart. **Important Note: You only have the option to print the form *before* submitting it. The form cannot be printed after the checkout so be sure to print *before* selecting Submit.**
